Dear Mr. Daniel:

Re: Santee and Ponca Subagencies.

Office records indicate that there have been allotments made at both the Santee and Ponca Subagencies under your jurisdiction. On the census rolls for 1929 for these two subagencies there have been only a few numbers given. Please furnish an explanation. If necessary, the rolls will be returned to you for correction.

Sincerely yours,

(Signed) C. J. Rhoads

Commissioner of Indian Affairs,
Washington, D. C.

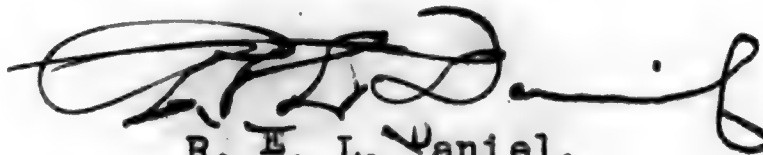

Sir:

Re: Santee and Ponca Subagencies

Receipt is acknowledged of Indian Office letter dated November 7, 1929, calling the attention of this office to the fact that the census rolls for 1929 for Poncas and Santees in Nebraska only shows a few allotment numbers and requesting that explanation be furnished.

Replying thereto I beg to say that very few of the original allottees of these two tribes are living and it was the intention to show all of these numbers on the two rolls. However, we will have them both checked over and if any numbers have been left off we will request return of the census rolls of the Poncas and Santees to be corrected but I doubt very much if it will be necessary to do that.

Very respectfully,

R. E. L. Daniel,
Supt. & S: D. A.
